

ABOUT THE MARYLAND FOOD BANK

More than 466,000 Marylanders do not know where their next meal is coming from. The Maryland Food Bank is there for them – **until hunger ends.**

Since 1979, the Maryland Food Bank has served as the state's leading hunger relief organization. We distribute more than 23 million pounds of food annually through soup kitchens, pantries, shelters and other feeding programs across the state.

Over the past four years, the Maryland Food Bank's food distribution has increased by 110 percent. Events like the Blue Jean Ball provide critical operating support and help us provide even more assistance to the growing number of families in need.

Celebrate Vintage Las Vegas style!

You are cordially invited to the premier fundraising event of the year – the Maryland Food Bank's Blue Jean Ball. This year's event will feature a retro Las Vegas theme. Join us as we relive the glory days with the Rat Pack and their big band.

For one night only, our 93,000- square-foot warehouse will be transformed into the swingin' Copa Room at the Sands Hotel. This incredible event will feature a live Rat Pack-inspired show, dancing, cocktails, tapas, late night gaming and fabulous auction items up for bid.
